To whom it may concern:

I am writing this letter of recommendation for Vincent Church. Over the past three years, I have had many opportunities to observe Vinnie in his role as a teacher, and in his interactions with his colleagues.

In Vinnie's assignment as an elementary physical education teacher, he shows great classroom management skills. He is always pleasant and professional with the students, yet he can be firm when it is necessary to maintaining control in the gym. He plans activities for his classes that promote teamwork and good character in his students. At the same time, he teaches them important fundamentals for sports such as football and basketball, and skills for lifelong fitness. He has incentives in place that promote positive student behavior.

Vinnie also does many things to show his involvement in the school community. He is a coach with the varsity football team, and volunteers in the weight room to assist high school athletes.

Vinnie's demeanor with his colleagues is very professional and respectful. He is a friendly and cheerful member of our school staff. A school that adds him to their teaching staff would be very fortunate.

Sincerely,

Jennifer Burla
