To whom it may concern:

This is a letter of recommendation for Mr. Vincent Church who has applied for a teaching and coaching position at your school.

Vincent has served as our QB – WR Coach and helped teach physical education classes for the past two years. Being his immediate supervisor I feel qualified to write on his behalf.

Vincent has a tremendous interest, drive and enthusiasm for teaching and coaching. He has strong academic preparedness, keen interest in working with young people and a mature and dedicated manner of work habits. He has excellent oral and written communication skills.

In football, Vincent has done an excellent job. He knows football very well and he can relate to his players. He is well organized and pays great attention to detail.

Mr. Vincent Church's morals, trustworthiness and integrity are above reproach. He's one of the finest young men I know and I recommend him very highly.

Sincerely,

Bernie Anderson
