To whom it may concern:

I have had the pleasure of knowing Vincent Church for over two years now. During my first year at Northern Michigan University Vincent was a quarterback on our Wildcat Football Team. My second year he joined our staff as a student Assistant Coach.

Vincent was given a lot of responsibility while working here and he always handles each task well. As both a player and coach he always did everything with total class. He is a team player and many times I saw Vincent forsake personal glory for the betterment of the team. As a team leader Vincent always lead in a very positive manner. He is a true competitor and I only saw a great drive and determination to be the best in him.

Vincent is a very personable, hardworking, caring, upbeat kind of guy. Staff, faculty, coaches, fans and teammates look up to and enjoy working with him. He always treats everyone with the upmost respect and I believe people can see how great of a young man he is and how he handles everything in a very mature manner.

Vincent always demonstrates the highest level of competence no matter how big or small the job. He always took each responsibility very serious and completed each task in a timely manner. I feel I have a good eye for talent with over 30 years of college coaching, and I have had the opportunity to work with a lot of great coaches. Vincent Church will be one of them. He is the type of young man I would want on my team. I have no doubt he will be very successful in whatever he decides to do. Hopefully he will be working for you. You won't want to play against him. If you need anymore information regarding Vincent Church, please call me at my office, 906-227-2084 or my personal cell, 906-869-8997.
